

Monticello's Agile Training Guide

When your organization elects to adopt the principles of the Agile Manifesto, Monticello Consulting can help you harness the values and benefits of the Agile Methodology. Our consultants are Certified Scrum Masters* with practical experience in the Banking industry who can help drive the transition of your organization by enhancing your teams, aligning your projects, and implementing the tools necessary to deliver results. In partnering with our customers, we take a *pragmatic approach* by listening to our client's needs and concerns to create a framework and phased transition strategy that reduces risk, yields optimal benefits, and lowers costs to secure a high ROI.

** Certifications from Scrum Alliance*
